

Class Pricing & Duration

Multi Short-Topic Classes (Specialty Series)

Topic Number	Class Topic (Select as many as you'd like from each Category)	Price of Each Topic Per Group of 10 employees or less (\$)	Avg. Duration Time Per Topic (Minutes)
Category A			
Description	MFGSS-002 Engineering & Manufacturing Change Notices	\$16	8
Description	MFGSS-008 Manufacturing Production Processes		
Description	MFGSS-022 Roles & Responsibilities		
Description	MFGSS-007 Key Process Indicator (KPI)		
Description	MFGSS-020 Debrief Meetings		
Category B			
Description	MFGSS-001 Bill of Materials (BoM)	\$27	12
Description	MFGSS-013 Standard Work		
Description	MFGSS-021 Lessons Learned		
Description	MFGSS-023 Post Pilot Run, Cross-Functional Meetings, Product Performance		
Description	MFGSS-004 First Article Inspection (FAI)		
Description	MFGSS-011 Safety & Ergonomics in the Workplace		
Description	MFGSS-005 New Product Introduction (NPI)		
Description	MFGSS-009 Overall Equipment Effectiveness (OEE)		
Description	MFGSS-010 Packaging, Shipping, & Logistics		
Description	MFGSS-006 Make - Buy Decisions		
Category C			
Description	MFGSS-015 Takt Time, Cycle Time, Lead Time	\$49	20
Description	MFGSS-016 Process Capability (Cpk)		
Description	MFGSS-003 Failure Mode Effect Analysis (FMEA)		
Description	MFGSS-012 Proof of Concept thru Full-Scale Production - Stages		
Description	MFGSS-018 Gauge Repeatability & Reproducibility (GR&R)		
Category D			
Description	MFGSS-014 Statistical Process Control (SPC)	\$69	30
Description	MFGSS-019 Root-Cause Analysis & Corrective Action		
Description	MFGSS-017 Continuous Improvement (Kaizen)		

	Class Number	Class Topic	Price of Each Class (\$) Per Group of 10 employees or less (\$)	Class Duration (Hrs.)
Description	MFG -101	Continuous Improvement - Kaizen	\$595	4
Description	MFG -102	Failure Mode Effects Analysis (FMEA)	\$445	3
Description	MFG -103	Gauge Repeatability & Reproducibility	\$295	2
Description	MFG -104	Safety & Ergonomics	\$595	4
Description	MFG -105	Lean Manufacturing	\$595	4
Description	MFG -106	Basics of Metrology	\$495	3.5
Description	MFG -107	Overall Equipment Effectiveness	\$295	2
Description	MFG -108	Root Cause Analysis	\$525	3.5
Description	MFG -109	Stat. Process Control & Process Capability	\$595	4
Description	MFG -110	Standard Work	\$245	2
Description	MFG -111	Conflict Resolution	\$195	1.5
Description	MFG -112	Intro to Non-Destructive Testing	\$595	5
Description	MFG -114	Quality Tools	\$595	4
Description	MFG -113	Intro to Applied Statistics	\$445	3

Please select the button below to place your Training request for either the **Multi-Short Topic Classes (Specialty Series)** or **Single-Full Topic Classes**.

If you wish to request both types of classes please re-select the button below to make your second request.
